The Runnin' Bulldog Soccer Academy is hosting two exciting weeks of camp for the GCCSA's players. Both camps are designed for the needs of the players.

The first week is our recreational 1/2 day camp that is designed for the recreational player who wants to learn more and have a great time. This camp is designed with the thought that we want players to explore soccer through fun activities. We call it our **FUNdamental** training curriculum.

The Elite week is for players who want a more competitive camp. We use higher level training ideas coupled with a full day of camp. This camp is for the more serious player and older campers.

Our goal is to provide quality instruction at an affordable price!

Why the move to the Night?

- We heard a lot of parents had a hardship for most mornings and day care. So we moved to the evening to allow more participation. We also have had such great success with the Skills Nights that the move to the night allows us to miss the heat of the day.

New Site

- We will be using *Boiling Springs Elementary School* as our new site for the recreational camp.

We are proud to serve the recreational players primarily who want to get better and have fun. We encourage you to sign up for the GCCSA!
